## CHEESE FONDUE AT AUGUSTA ESTATE SATURDAY 14<sup>th</sup> JULY 2018

Once again, Hillcrest lived up to its reputation of being rather on the cool side at this time of year, however on entering the function room of Augusta Estate, adorned with red and white table cloths, candles, Swiss emblems etc., this coolness was left outside.

By the time the Members arrived at around 6 p.m. the Committee and helpers had the function room looking most inviting and in the background the strains of lovely Swiss music added to the atmosphere. All 44 Members and Guests interacted with each other and were soon popping their wine corks, and Fondue sets were bubbling away. This year, unlike last year, no children attended, thus giving their parents and grandparents the freedom to relax and enjoy an adult evening with no childminding duties!

Philippe thanked the Committee for all their assistance in setting up the room and organising this event and took the opportunity to introduce the guests. He then introduced our Guest of Honour Mr Hans-George Bosch (Delegate for the Council of the Swiss Abroad) who gave an interesting and brief talk, interspersed with much humour, to up-date the Members on certain aspects for Swiss Nationals living overseas. Mr. Bosch invited any Members to contact him directly for further information – his contact information to be given by contacting me.

The evening continued with much laughter and light-heartedness and once again was a lovely and successful event.

Here's to the next Fondue Evening!

Warm regards
