YEAR END CHRISTMAS BRAAI

8TH DECEMBER 2019 @
KRANTZKLOOF INTERPRETATIVE
CENTRE

Once again 'Mother Nature' decided not to be co-operative and allow us the pleasure of lounging, dining and chatting outside! BUT this venue has a lovely and friendly indoor area and the event was, as always, fun-filled with much laughter, lovely music, catching up with friends (and dare I say) enjoying a glass or two. The atmosphere was certainly helped with the white and red tablecloths adorning the trestle tables.

In this regard, one has to say a big THANK YOU to Rolf & Doreen for supplying and making sure that the beer was the right temperature, and the other drinks in good supply. Also, a big THANK YOU to Fritz for supplying the speakers, music, gazebo etc., all of which added to the enjoyment of the day.

Of course, as usual, the entrance of Father Christmas, whose boots seemed to have more snow on them than last year, was welcomed with much applause. Father Christmas gave out the presents to the three youngsters present, and I think little 4-year-old Ruby was the most impressed! Her little eyes just sparkled and she was so excited! But not only did Father Christmas delight the youngsters, but he also had a little something (which looked to me like perhaps a bottle of wine) he presented to both Philippe and Fritz and Fritz ended up sitting on his knee!

All 35 Members, guests and children really enjoyed the day and who knows, maybe in 2020 'Mother Nature' will be on our side.

WISHING YOU ALL & YOUR FAMILIES A VERY HAPPY CHRISTMAS.

Kindest regards

SHEILA
