YEAR END BRAAI KRANTZKLOOF CONSERVANCY 9. Dec 2018

Once again, this was a more than enjoyable event. Outside on the veranda much laughter and chatting took place. The smell of the wonderful and various meats and sausages on the braai filled the air, and soon everyone was lipping their lips and downing the beers, wine and bubbly.

Thanks must be given to Rolf and Doreen for organising the refreshments, and also many thanks to all concerned who organised the tables & chairs, the braai, etc. Special thanks must be given to Käthy Hunziker for her wonderful and more than scrumptious Swiss Christmas cookies.

Philippe took the opportunity to introduce four new members to the Swiss Club Natal, as well as three guests and they were made to feel most welcome. Philippe also thanked all Committee Members for their input in this event.

The weather was pretty kind to us and although the sun did not shine in the garden, certainly the sun shone upon us in the manner of live music on the veranda! One of the new members, Kéch Sanchez gave us some wonderful renditions on his guitar and also the pan pipes, and we look forward to further renditions at future events.

Thank you Kéch.

This year Father Christmas got caught up in the snow and was unable to make his delivery, however, out of nowhere came the present for a young lady called Skye, and also for rather more 'mature' attendees Käthy & Beat and yours truly!

Thank you to all Members who take time to enjoy logging onto our website and a reminder that Fritz is always looking for interesting and amusing articles to put onto this website.

Warm Christmas Wishes for Good Health and Happiness to you all over the Festive Season and in 2019.

Kindest seasonal regards.
